

TVOS NEWS

UPDATED INFO FOR 2016 CONFERENCE PER CHRIS CARD:

The hotel has extended our block guarantee until February 10. After this date they can technically revert to their standard rate of \$159, so hurry up and make your reservations if you haven't already. If you have trouble getting our rate even after this date I would suggest you call Tara Winstead directly at the hotel and ask her to get you in. You can reach Tara at 615-883-9770.

We do not have enough interest for the Lawn and Garden Show to charter the large bus this year, so we will cancel the excursion and reception altogether. Those of you who have paid will be refunded, and we can arrange a smaller shuttle from the hotel for those who still want to go. We will have more information available at registration.

FYI:

EMMETT HUNT HAS EXTENDED THE DATE TO 2-13-16 TO LET HIM KNOW IF YOU ARE INTERESTED IN THE TOAST OF TENNESSEE 4-13-16 FOR DISCOUNTED TICKETS.

Immediately following our meeting, at the location next door, will be the Toast to Tennessee.

It is a ticketed event.

- There is a LOT of wine consumed at this event.
 - You do NOT want to drive afterward.
- In years past it has been significantly cheaper to purchase tickets before Valentine's Day than at the day of the event, and some years the tickets have sold out.
- If enough people [email](#) me (20 or more) before 2/10/16 that they want tickets, we can get a group rate of \$15 per person.
